

010 Asbestos

ASB1 Asbestos Awareness Course (1/2 Day)

Nominal Course Duration

2 - 4 Hours. Public courses start at 8.00am and are usually completed by 1.00pm, dependent upon the learning abilities of the participants

Description

This asbestos awareness course is aimed at management and supervisory personnel who are responsible for organising and managing asbestos related risks in the workplace or personnel who may be required to remove small amounts of asbestos (under 10m2) as part of their job role.

The course is not competency based training, but an overview of the mandatory requirements as set out in the How to Safely Remove Asbestos Code of Practice, providing attendees with sufficient information to be able to understand these requirements when planning resourcing and removing asbestos containing materials (ACM).

Training Subjects

- How to obtain a copy of the asbestos register for a workplace
- Identify asbestos hazards at the workplace
- Ensure signs and barricades are erected to indicate and delineate the asbestos work area
- Use the wet method to removal asbestos where reasonably practicable
- Ensure the correct tools, equipment and PPE is used
- Ensure decontamination facilities are available
- Contain and label asbestos waste and dispose of it as soon as reasonably practicable
- Ensure that PPE and clothing used in asbestos removal work and contaminated with asbestos is handled in accordance with the WHS Regulations

Training & Support Material

- Asbestos awareness presentation
- Asbestos Awareness Booklet
- How to Safely Remove Asbestos Code of Practice
- Lunch is not provided in awareness courses
- Type 5 Disposable Coveralls
- P2 disposable, half-face particulate respirator
- 200um compliant asbestos disposal bag

Course Pre-requisites

Nil
