Cells highlighted RED - Refer to explanatory notes below matrix

Cells Highlighted GREEN - Roles do not require authorisation

NEW	OLD	Title	Transition by
UETDRMP006	UETDRRF003	Perform pole top rescue	13 Oct 24
UETDRMP005	UETDRRF002	Perform EWP rescue	13 Oct 24
UETDRMP008	UETDRRF005	Perform rescue from switchyard structures at heights	13 Oct 24
UETDRMP007	UETDRRF004	Perform rescue from a live LV panel	13 Oct 24
UETDRMP004	UETTDRRF08	Perform EWP controlled descent escape	13 Oct 24
UETDRMP010	UETDRRF007	Provide first aid in an ESI environment	No extension
UETDRMP002	UETTDRRF01	Apply ESI safety rules, codes of practice and procedures for work on or near electrical apparatus	No extension
UETDRMP001	UETTDRRF09	Apply access procedures to work on or near electrical network infrastructure	No extension
UETDRMP011	UETTDRRF11	Testing of connections to low voltage electricity networks	No extension
UETDRMP012	NA - new	Working on energised low voltage overhead electrical apparatus	NA - new
UETDRMP011	NA - new	Testing of connections to low voltage electricity networks	NA - new

Training Contract applicable to work being performed	Various		M	M	M	M																					
Certified Powerline Worker (OTEN/Industry trained)		2					M3	M3	M3																		
Certificate III in ESI - Distribution Overhead	UET30621 (UET30619)						M3	M3	M3																		
Certificate III in ESI - Transmission Overhead	UET30521 (UET30519)									M																	
Certificate III in ESI - Distribution Cable Jointing	UET30821 (UET30819)										M	M	M	M													
Certificate III in Electrotechnology Electrician	UEE30820 (UEE30811)														M	M	M	M	M								
Units of competence																											
Apply environmentally and sustainable energy procedures in the energy sector	UEERE0001																		M								
Lay power cables	UETDRDU016 (UETTDRCJ21)							M							M												
Joint, terminate and maintain low voltage underground paper insulated cable	UETDRDU014 (UETTDRCJ22)										M																
Joint, terminate and maintain high voltage underground paper insulated cable	UETDRDU012 (UETTDRCJ23)										M																
Joint, terminate and maintain low voltage underground polymeric cable	UETDRDU015 (UETTDRCJ26)							M							M												
Joint, terminate and maintain high voltage underground polymeric cable	UETDRDU013 (UETTDRCJ27)							M							M												
Working safely in the vicinity of live electrical apparatus as non electrical worker	UETDREL006 (UETTDREL14)																						M	M			
Work safely in the vicinity of live electrical apparatus	UETDREL005 (UETTDREL16)															M			M								
Install and maintain low voltage underground services	UETDRIS011 (UETTDRIS55)																M										
Install and maintain low voltage overhead services	UETDRIS010 (UETTDRIS56)																	M									
ESI refresher units of competence (Performed Annually)																											
Perform cardiopulmonary resuscitation	HLTAID009		M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4		
ESI safety rules for work on, near or in the vicinity of electrical apparatus	UETDRMP002 (UETTDRRF01)		M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M		
Perform pole top rescue	UETDRMP006 (UETDRRF003)		M5	M5	M	M5	M	M	M	M5	M5	M5		M5	M5		M5	M	M5		M		M	M			
Perform elevated work platform rescue	UETDRMP005 (UETDRRF002)		M6	M6	M	M6	M	M	M	M6	M6	M6		M6	M6		M6	M6	M6			M	M6	M6			
Perform tower rescue	UETDRMP009 (UETDRRF006)				M7					M7																	
Perform rescue from switchyard structures at heights	UETDRMP008 (UETDRRF005)																										
Perform rescue from a live low voltage panel	UETDRMP007 (UETDRRF004)		M	M				M	M		M	M	M	M	M	M	M	M	M	M							
Perform elevated work platform controlled descent escape	UETDRMP004 (UETTDRRF08)		M6	M6	M	M6	M	M	M	M6	M6	M6		M6	M6		M6	M6	M6				M6	M6			
Provide first aid in an ESI environment	UETDRMP010 (UETDRRF007)		M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4	M4		
Testing of connections to low voltage electricity networks	UETDRMP011 (UETTDRRF11)						M	M	M		M	M	M	M	M	M	M	M	M								
SafeWork NSW Licences																											
Prepare to work safely in the construction industry (White Card)	CPCCWHS1001		M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M
Work Near Overhead Power Lines	WNP001	16	M8	M8	M8	M8														M8	M8	M8	M8	M8	M8	M8	M8
High Risk Licences	Various		M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9	M9			M9	M9	M9	M9	M9	M9
Accredited Service Provider Scheme																											
Overhead	Class 1A						M																				
Underground - Paper/lead and polymeric	Class 1B										M																
Underground - Polymeric ONLY	Class 1C							M				M			M												
Non-electrically qualified - Level 1	Class 1X		M10	M10	M10															M10	M10	M10	M		M		
Disconnect and reconnect	Class 2A												M			M											
Underground Service	Class 2B													M			M										
Overhead Service	Class 2C								M									M									
Install metering equipment and energisation	Class 2D																		M								
Non-electrically qualified - Level 2	Class 2X		M11	M11	M11															M11	M11	M11		M			
Essential Energy Specific Training																											
Cable Jointing Awareness Videos x 3	CJA001							M			M	M			M												
Essential Energy's Electrical Safety Rules Induction	ESR001		M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M	M
Access permit recipient authorisation - Overhead	SP-01						M13			M13																	
Access permit recipient authorisation - Underground	SP-02							M14			M14	M14			M14												

Legend

M Mandatory

Explanatory Notes

1 Where a person performs multiple roles, they shall undertake the mandatory training for each of those roles
2 Must have worked with an electricity distributor within the last 24 months with core tasks being trade related
3 Either of these qualifications/certifications is acceptable ... Note 2 applies if Certified Powerline Worker is selected
4 If a worker has successfully completed Provide First Aid (HLTAID011) within the same year then equivalence is given
5 Mandatory requirement if assisting others working at height off ladders ... NOT A MANDATORY REQUIREMENT FOR AUTHORISATION
6 Mandatory requirement if assisting others working at height in EWPs ... NOT A MANDATORY REQUIREMENT FOR AUTHORISATION
7 Mandatory requirement if assisting others working at height on towers ... NOT A MANDATORY REQUIREMENT FOR AUTHORISATION
8 Mandatory if working closer than 3000mm to live exposed overhead conductors ... equivalence granted if electrically qualified
9 Mandatory to have the SafeWork NSW High Risk Licence (HRL) applicate to the plant being operated ... NOT A MANDATORY REQUIREMENT FOR AUTHORISATION
10 Registration mandatory if assisting with ASP Level 1 work as defined in ASP Scheme Rules 2016
11 Registration mandatory if assisting with ASP Level 2 work as defined in ASP Scheme Rules 2016
12 If required to work near Essential Energy's Transmission or Distribution Networks, persons performing this role shall be an instructed persons who must work under the supervision of an authorised person as per Essential Energy's Electrical Safety Rules CEOP8030
13 Mandatory for at least one crew member to have if undertaking OH works under Access Permit conditions
14 Mandatory for at least one crew member to have if undertaking UG works under Access Permit conditions
15 Either of these units of competence is acceptable
16 Training to comply with SafeWork NSW code of practice requirements. UETDREL06 (UETTDREL14 superseded Unit) is considered equivalent for non-electrically qualified personnel.

Codes in red text are accepted as equivalent to current codes

Codes in blue text have been superceded and are not equivalent to current code, will not be accepted after Oct 23

Where 2 (superseded codes) are nominated, both are required for equivalence

Any unit codes other than those shown should be validated by Training Services
